THINK OF A PROJECT

How do you decide what to do? Some things that are easy for you are hard for other kids, and some things that are hard for you are easy for them. So there are no right or wrong choices. Jot down some ideas here!

SHARE WITH OTHERS

Talk about your ideas with your parents or caregiver. Ask them to tell you what kinds of things they did when they were your age. Then decide together what projects you will do to let you practice some independence.
