

The Process of Passing Montana's Independence for Children Law

Sen. Kevin Bogner initiated the effort to protect Montana families who want to give their children some independence. He led the effort in Montana and secured passage of S.B. legislation in the Senate on March 1 and in the House on April 13. Governor Greg Gianforte signed the bill on May 3.

Let Grow did not work in Montana directly to secure passage of the bill. However, Sen. Bogner reported to Let Grow that he was aware of Let Grow's work. Montana family advocate Danny Tenenbaum reached out to Let Grow to report on the successful effort in Montana under Sen. Bogner's leadership.
