

STATE LIST OF ENACTED BIPARTISAN LET GROW LEGISLATION

Since 2018, thirteen states have enacted Let Grow's bipartisan model. Additional states continue to consider the model, with active legislation and supportive efforts such as California's recent resolution in favor of childhood independence. In 2026, Congress introduced federal legislation to support state efforts.

By order of enactment:

Utah (2018):

Senate Bill 65 was signed into law on March 18, 2018, by Governor Gary Herbert

Sponsored by Senator Lincoln Filmore (R) and Representative Brad Daw (R)
